

Nui mini

Design Meneghello Paoletti Associati

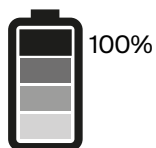

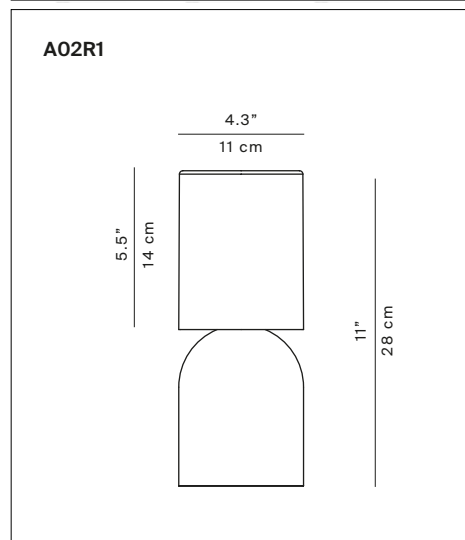

- Type: Portable rechargeable
- Light source: LED 4W 2700K CRI 90 - rechargeable
dimmer on board 192 lm
- Product use: Outdoor/indoor
- Materials: Structure: painted steel and glass
Screen: polycarbonate
- Colors: White, sand, greige
- Description: Part of the Nui family, Nui mini translates its inspiration and design into a rechargeable table version. Offered in three colors for the top (white, sand and greige), it has a base in transparent crystal that contributes to create a sophisticated game of reflections.

Insulation class and mark:    **IP54 IK03**

Rating: 5 V dc, 4W

Reference code: A02R1 1A020=R10002 white
1A020=R10004 sand
1A020=R10039 greige
